Requests pending

Oldbury Primary School

Action: Malcolm Lynden to contact the school governors and discuss their application, further information required. .

Unsuccessful requests

Hill Parochial Church Council

5. Any other business

The new on-line system for Socio Economic applications will be in place to be in use from April 2012. Any requests received on site from end of March will be sent on to the new system.

Any group that send an application form by post (hard copy) and have no internet access will be supported by the Communication Support Officer at Oldbury, who will enter their application on to the system.

There will be no Socio Economic sub group meeting in April, as it will be too early to discuss any applications received. The Communication Support Officer will liaise with members by email to update them of any developments.

The group thanked Michelle Dixon for her involvement as she will soon be on maternity leave. If needed, a colleague from her department can represent her if further support is needed during this period.

Action: Eirian Vaughan Lewis to send thank you letters to all participants within the sub-group, for their contributions.
