

Chairman's Report

July was fairly quiet with mainly Telephone calls etc. In August a visit was organised for A and B sites. Unfortunately I was called to an urgent meeting at SDC and could not be there. I understand that all that attended found the visit interesting and informative. We will try and arrange another one for those who have not yet visited; I, personally, do not think you can comment to your bodies without a visit to the sites.

There was a Chairs meeting in Birmingham on the 6th of August where we discussed the new staffing levels that were out for consultation. Full and very frank discussions were held and I think all was taken on board by CFP/Magnox.

I have had various meeting on both sites with the Station Directors and sincerely hope they continue in the same fashion of openness.

I attended a meeting at Berkeley as National Chairman, with CFP to present the thoughts of the Chairs on the restructure I was also bought up to speed on the Socio Economics situation.

Prior to this meeting I have meetings booked with the new Director of B site, Mr Evans on the 16th, and a brief from Mr Schroder on the 12th.

There is a two day meeting in Birmingham planned for the 16th and 17th of November with CFP and a further two day meeting in Warrington on the 23rd/24th. The meeting with the NDA to discuss the new strategy at Sellafield was cancelled and will be, provisionally, held in January.

Mike
