# Freehold Acquisition Status

- Discussions progressing well with the NDA regarding the acquisition of the current area of land under tenant (leasing) arrangements and some additional land
- Further discussions have been held with the Home and Communities Agency (HCA) about securing long term vehicle access for Tradebe Inutec through the Dorset Green Site
- Programme remains on target to finalise the freehold contract in advance of the granting on the Nuclear Site Licence which is programmed for early 2017

# Safety Performance 2015

- We hold a 2015 RoSPA (Royal Society for the Prevention of Accidents) Presidents Award which recognises 12 consecutive years of RoSPA Gold Awards
- No RIDDOR reportable injuries or accidents for over 8 years
- One lost time accident (LTA) in 2015, one day due to a knee injury
- Staff minor injuries this year to date remains low, four in total
- We have recently made an appointment to a new post of Safety, Health, Environment and Quality Manager
