

Magnox

Sizewell A report to SSG  
Allen Neiling – Closure Director  
December 2017

# Safety and compliance

- One injury – Road Traffic Accident involving staff member.
- No personal contamination events.
- No environmental events.

# Plant and Structures Programme update

- The Plant and Structures Programme is mobilising to support Sizewell A with a number of early demolition packages of work this financial year.
- First target for 2017 delivered by Plant and Structures team – The CW crane on the ground by Christmas.
- Asbestos removal in the admin building started.
- Works on two offshore structures progressing, two boat landing decks have been removed along with asbestos from the outlet structure and diving completed.

# Projects update

- The Ponds Programme diving enabling is nearing completion. The team have deployed approx. 15t of dive furniture for decommissioning activities. The dive platform and supervisor station has also been constructed and installed. A meet the diver session was a great success with dive suits tried on by all. The Waste Programme is now established and is preparing for waste retrievals. A containment is required to be designed and built to safely access the FED vaults

# Asset Care Projects

- The management of asbestos continues to be a high priority for the site and a rolling programme of encapsulation and removal work is in place to ensure the hazard is managed.
- Cladding repairs continue on the Reactor Building.
- Towns main water distribution system is to be modified during 2017/2018 to reduce the size of the system as facilities on site become redundant. Future work coming up on:
  - Sewage Farm
  - Security Fence

# Socio-economics

- £944,600 Socio-economic Funding available across the 12 Magnox sites
- £6,000 allocated to each of the sites for good Neighbour Applications up to £1,000 each
- As of 15 November, Kesgrave Kestrels u8's football team have received £613, Halesworth Town FC £527, Ransome's u10's football team £475 and Waveney Beekeepers Group £1,003 funding from Magnox
