19 Mr Brown reported on the outcome of a review of the membership of this Group which he had conducted together with members of a subgroup established for the purpose. The review had included correspondence with member organisations and consideration of attendance records. The provisional recommendations were as follows:

(i) Membership should be withdrawn from:

Pawlett, Chilton Trinity and Over Stowey Parish Councils;

English Nature and the Country Landowners Association; and

Mendip District Council

(ii) Following the merger of West Somerset and Taunton Deane District Councils, which held three and one voting member respectively, Somerset West and Taunton Council should be invited to nominate only two representatives.
