

## **Matters Arising**

- Min 6 (iii) When will R3 return to power following the recent transformer fire?
- Min 6 (iv) Are the planning inspections on-going or completed?
- Min 16 (I) How is the remaining Asbestos removal progressing?
- Min 16 (iii) What is the percentage of the workforce that are now back on site?
- Min 16 (iv) What Steps have already been taken on site re sustainability?
