

Magnox

Magnox Ltd is owned by the Nuclear Decommissioning Authority

Bradwell LCLC, September 2022

Sohail Ashraf, Site Director

Safety and environment

- Regular campaigns focus on safety topics
- All workforce under-taking human performance training

Bradwell annual inspection

- Fourth annual Bradwell care and maintenance inspection mobilisation has started and will run until early December
- Includes inspection of integrity of buildings, instrumentation and maintenance systems
- Inspection will cover around 200 tasks which includes the first five-yearly routines

Apprentices

- 40 apprentices started at Magnox this month, including in mechanical and electrical roles
- Two second year health physics apprentices are supporting this year's inspection at Bradwell. After their first week at Bradwell our apprentices said: **“Bradwell is great place to learn and develop our skills. We are looking forward to our time here.”**
